

Have Nancy Visit Your Guild!

New York Beauty

MOST POPULAR

Six Hours

Nancy's most popular class! Learn her unique paper piecing technique to make your blocks into a beautiful New York Beauty quilt.

Lone Star Quilt

Seven Hours

Lone Star quilts are one of the most popular quilt designs. Learn to draw your own design along with close to perfect piecing and easy set in seams. Extra time may be needed to get everything completed.

Wonky Rails

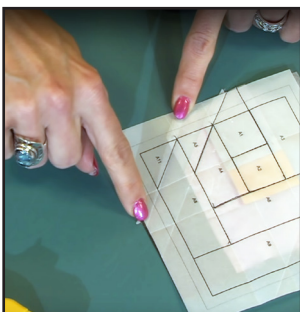

Six Hours

This is a great class to take when your scrap stash is just getting out of control. Fun stitching with no right or wrong way. Learn a fast triangle piecing technique to play with for a fun pinwheel border.

Quilted Tiles

Seven Hours

Create your own design, learn to make bias stems and do invisible machine applique. These techniques can be used in many different quilting designs. Finish one 18" tile in this class. Learn Nancy's fabric folding technique for cutting anything on the bias and her power cutting technique.

Paper Piecing Basics

Six Hours

Using Nancy's technique, you will learn and understand all the steps, tricks and tips for perfect paper piecing. The lines on printed paper are stitch lines to add fabric to make quilt blocks. This class will make paper piecing easy.

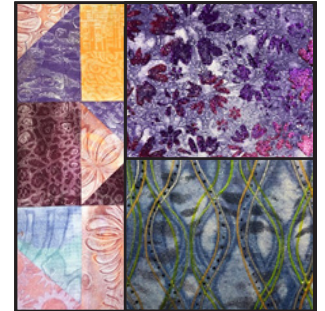

Invisible Machine Applique

Six Hours Applique is not a bad word—you just need the right techniques to be successful. Choose from six designs to learn Nancy’s edge turning technique for sharp points and great curves. Make scalloped mitered borders. All with machine stitching.

Mono Printing

STUDENT FAVORITE

Three or Six Hours Add designs and paint on fabric. Your prints can be use in your next quilt. The kit includes a Gel Press printing plate, paints, stencils and two yards of fabric. Additional stencils, stamps, and paint will be available to use. \$55 kit fee.

Improvitational Piecing

Six Hours No pattern necessary—you create as you go. This technique looks complicated, but anyone can do it with a rotary cutter and sewing machine. Any fabrics will work to make a finished piece of original art.

Additional Classes Available

Fractured Glass

Create quilt blocks that look like stained glass. Using simple cutting and piecing techniques, make sections into “fractured glass” blocks. Show off any fabric collections. Ideal for 10” layer cake fabrics. This class is great for beginners and experts.

Log Cabin Quilt As You Go

Piece and quilt one block at a time in a three to six hour class. Use a precut jelly roll or cut your own strips. Assemble the blocks into a quilt with a simple sashing technique.

Free Motion Quilting

You can improve your free motion quilting by learning easy doodling skills. Doodling will relax you and give you the confidence to take designs to your sewing machine to quilt your own free motion designs. Nancy has been teaching this concept over 20 years. Quilters from every experience level see improvement in the quality of free motion designs.

Double Wedding Ring

The classic Double Wedding Ring quilt can be intimidating. Nancy will teach the techniques for strip piecing and curves. John Flynn 18” Template set is required (available the day of class with pre-order). The class requires an extra hour.
